| Number                     | Title                                                                                                         | Date        |
|----------------------------|---------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2005202012</a> | Pop up brochure display/product dispensing unit                                                               | 25 May 2005 |
| <a href="#">2005202047</a> | Improvements in or relating to Fastening Systems                                                              | 25 May 2005 |
| <a href="#">2005202003</a> | Gonadotrophins                                                                                                | 25 May 2005 |
| <a href="#">2005202015</a> | Antenna array for an RFID reader compatible with transponders operating at different carrier frequencies      | 25 May 2005 |
| <a href="#">2005202023</a> | A balustrade system                                                                                           | 25 May 2005 |
| <a href="#">2005201958</a> | Handle assembly for tool                                                                                      | 25 May 2005 |
| <a href="#">2005202061</a> | A multi-function transaction processing system                                                                | 25 May 2005 |
| <a href="#">2005202011</a> | Lifting forks                                                                                                 | 25 May 2005 |
| <a href="#">2005202058</a> | Caisson Liner                                                                                                 | 25 May 2005 |
| <a href="#">2005201972</a> | Batchwise working-up recycling materials in a rotatable reactor                                               | 25 May 2005 |
| <a href="#">2005202054</a> | Furniture kit                                                                                                 | 25 May 2005 |
| <a href="#">2005201965</a> | Method and apparatus for reducing drip from spray nozzles                                                     | 25 May 2005 |
| <a href="#">2005201960</a> | Plastics molding for ostomy device                                                                            | 25 May 2005 |
| <a href="#">2005202010</a> | Microfabricated elastomeric valve and pump systems                                                            | 25 May 2005 |
| <a href="#">2005201978</a> | Method of Providing Secure Access to Static Data in an Electronic Document                                    | 25 May 2005 |
| <a href="#">2005202009</a> | Duplex print registration using seethrough images                                                             | 25 May 2005 |
| <a href="#">2005202070</a> | Rendering graphic object based images                                                                         | 25 May 2005 |
| <a href="#">2003304487</a> | MICROLITHOGRAPHIC ILLUMINATION METHOD AS WELL AS A PROJECTION ILLUMINATION SYSTEM FOR CARRYING OUT THE METHOD | 25 May 2005 |
| <a href="#">2005202068</a> | Quinolinone derivatives as tyrosine kinase inhibitors                                                         | 25 May 2005 |
| <a href="#">2005201999</a> | Cochlear implant fitting                                                                                      | 25 May 2005 |
| <a href="#">2005201970</a> | Collagen and method for producing same                                                                        | 25 May 2005 |
| <a href="#">2005201968</a> | Next high frequency improvement by using frequency dependent effective capacitance                            | 25 May 2005 |
| <a href="#">2005202024</a> | Moulded plastic spout for fuel and solvent cans                                                               | 25 May 2005 |
| <a href="#">2005202060</a> | Compressor sound attenuation enclosure                                                                        | 25 May 2005 |
| <a href="#">2005202037</a> | Drug delivery device using microprojections                                                                   | 25 May 2005 |
| <a href="#">2005202063</a> | Easy-open handle bag for medium to heavy duty applications                                                    | 25 May 2005 |
| <a href="#">2005201985</a> | Apolipoprotein A-I agonists and their use to treat dyslipidemic disorders                                     | 25 May 2005 |
| <a href="#">2005201981</a> | Hybrid biologic-synthetic bioabsorbable scaffolds                                                             | 25 May 2005 |
| <a href="#">2005201992</a> | Nitrogenous cyclic compounds and pharmaceutical compositions containing the same                              | 25 May 2005 |
| <a href="#">2005201971</a> | Variable Angle Bracket                                                                                        | 25 May 2005 |
| <a href="#">2005202039</a> | Cassette assembly                                                                                             | 25 May 2005 |
| <a href="#">2005202052</a> | Power supply circuit in IC chip for noncontact IC card                                                        | 25 May 2005 |
| <a href="#">2005202071</a> | Method for improving the reliability of smoke and heat alarms and systems                                     | 25 May 2005 |
| <a href="#">2005202006</a> | APO-21 receptor agonist and CPT-11 synergism                                                                  | 25 May 2005 |
| <a href="#">2005201976</a> | High energy gamma probe with position sensing capability                                                      | 25 May 2005 |
| <a href="#">2005202007</a> | Pneumatic hammer                                                                                              | 25 May 2005 |
| <a href="#">2005202045</a> | A Training Device                                                                                             | 25 May 2005 |
| <a href="#">2005202067</a> | Foldable knife                                                                                                | 25 May 2005 |

| Number                     | Title                                                                                                                                        | Date        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2005202072</a> | Prevention and treatment of androgendeprivation induced conditions                                                                           | 25 May 2005 |
| <a href="#">2005202065</a> | High torque coupling faces for rotary drill strings                                                                                          | 25 May 2005 |
| <a href="#">2005202008</a> | Prepregs for use in building lay-ups of composite materials and process for their preparation                                                | 25 May 2005 |
| <a href="#">2005201983</a> | Hydraulic crane                                                                                                                              | 25 May 2005 |
| <a href="#">2005202000</a> | Three Dimensional Board Game                                                                                                                 | 25 May 2005 |
| <a href="#">2005202053</a> | Manual crimping tool for plastic strap                                                                                                       | 25 May 2005 |
| <a href="#">2005202002</a> | Device for laterally steering streamer cables                                                                                                | 25 May 2005 |
| <a href="#">2005202062</a> | Nutraceuticals for the treatment, protection, and restoration of connective tissues                                                          | 25 May 2005 |
| <a href="#">2003304485</a> | FORWARD EXTENDING WHEEL SUSPENSION SYSTEM                                                                                                    | 25 May 2005 |
| <a href="#">2005201954</a> | Creation of temporary safety spaces                                                                                                          | 25 May 2005 |
| <a href="#">2005201994</a> | Screw threaded fastener and fastening system                                                                                                 | 25 May 2005 |
| <a href="#">2005202069</a> | Cornice fixing prop                                                                                                                          | 25 May 2005 |
| <a href="#">2005201984</a> | Energy Absorber                                                                                                                              | 25 May 2005 |
| <a href="#">2005201973</a> | Network-based trading system and method                                                                                                      | 25 May 2005 |
| <a href="#">2003304483</a> | VANADIUM/TITANIA-BASED CATALYST FOR REMOVING NITROGEN OXIDE AT LOW TEMPERATURE WINDOW, AND PROCESS OF REMOVING NITROGEN OXIDE USING THE SAME | 25 May 2005 |
| <a href="#">2005202073</a> | Universal Cork or Synthetic Seal with Opener                                                                                                 | 25 May 2005 |
| <a href="#">2005202048</a> | Pure-coloured, readily dispersible iron oxide red pigments with high grinding stability                                                      | 25 May 2005 |
| <a href="#">2005202035</a> | Gas Range                                                                                                                                    | 25 May 2005 |
| <a href="#">2005201950</a> | Screw strip                                                                                                                                  | 25 May 2005 |
| <a href="#">2005201948</a> | System for welding with multiple arcs                                                                                                        | 25 May 2005 |
| <a href="#">2005202021</a> | Self-shielded flux cored electrode                                                                                                           | 25 May 2005 |

# Terms and Conditions

## General

The information provided in this report is not in the nature of legal or other professional advice.

The information provided in this report is derived from third parties and may contain errors. You must make your own enquiries and seek independent advice from the relevant industry professionals regarding any information in this report.

Patents, patent applications, trademarks and trademark applications shown as lapsed or ceased may be restored at a later date.

## Disclaimer of warranty and limitation of liability

Neither IPMonitor, its affiliates nor any of their respective employees, agents, third party content providers or licensors warrant that the information contained in this report is error free; nor do they make any warranty as to the accuracy, reliability or content of any information in this report.

This report is provided on an "as is" basis; to the maximum extent permitted by law, IPMonitor disclaims all representations and warranties, express or implied, with respect to any information contained in this report. In addition, IPMonitor does not represent or warrant that the information contained in this report is accurate, complete or current.

This disclaimer of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behavior, negligence, or under any other cause of action.

## Copyright

The content of this report may be protected by copyright laws and treaties around the world and all rights relating to the same are reserved. Any paper or digital copies of this report are not to be modified or any illustrations or any graphics used separately from any accompanying text.

## Arbitration

Any dispute or difference whatsoever arising out of or in connection with this report shall be submitted to arbitration in accordance with, and subject to, The Institute of Arbitrators & Mediators Australia Rules for the Conduct of Commercial Arbitrations.

IPMonitor reserves the right to update the Terms and Conditions at any time without notice. Please see the full Terms and Conditions at [www.IPMonitor.com.au/trademarks/info/terms](http://www.IPMonitor.com.au/trademarks/info/terms)
