## 1 event

382 results matching for 'PCT applications which have entered the National Phase' during December 2009.

| Number                     | Title                                                                                             | Date        |
|----------------------------|---------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2008260062</a> | Humanized antibodies to Abeta(20-42) globulomer and uses thereof                                  | 09 Dec 2009 |
| <a href="#">2008254559</a> | Method for pain control                                                                           | 09 Dec 2009 |
| <a href="#">2008260447</a> | Methods and compositions for treating recurrent cancer                                            | 09 Dec 2009 |
| <a href="#">2008222813</a> | Travel service aggregator                                                                         | 09 Dec 2009 |
| <a href="#">2008237876</a> | Sensor network calibration                                                                        | 09 Dec 2009 |
| <a href="#">2008260483</a> | High temperature stable peptide formulation                                                       | 09 Dec 2009 |
| <a href="#">2008258375</a> | Terminal block and contact element for telecommunications and data systems                        | 09 Dec 2009 |
| <a href="#">2008263754</a> | RumC peptides with antimicrobial activity                                                         | 09 Dec 2009 |
| <a href="#">2008254477</a> | Rear-mounted aerodynamic structure for truck cargo bodies                                         | 09 Dec 2009 |
| <a href="#">2008255045</a> | Fluid separator collection card                                                                   | 09 Dec 2009 |
| <a href="#">2008246823</a> | Decorative board                                                                                  | 09 Dec 2009 |
| <a href="#">2008237641</a> | A paint roller assembly                                                                           | 09 Dec 2009 |
| <a href="#">2008267121</a> | Aluminium alloy products having improved property combinations and method for their production    | 09 Dec 2009 |
| <a href="#">2008250758</a> | A centrifugal separator and a liquid phase discharge port member                                  | 09 Dec 2009 |
| <a href="#">2008251119</a> | Method for concentrating microbiological organisms suspended in a flowing liquid                  | 09 Dec 2009 |
| <a href="#">2008251324</a> | ((Phenyl)imidazolyl)methylheteroaryl compounds                                                    | 09 Dec 2009 |
| <a href="#">2008242583</a> | Glycoconjugates of RNA interference agents                                                        | 09 Dec 2009 |
| <a href="#">2008253720</a> | Fusion molecules and IL-15 variants                                                               | 09 Dec 2009 |
| <a href="#">2008245554</a> | Contaminant-reactive geocomposite mat and method of manufacture and use                           | 09 Dec 2009 |
| <a href="#">2008254352</a> | System and method for illumination and fixation with ophthalmic diagnostic instruments            | 09 Dec 2009 |
| <a href="#">2007353615</a> | Refrigerating device and method for circulating a refrigerating fluid associated with it          | 09 Dec 2009 |
| <a href="#">2007352852</a> | Improved aquaculture system                                                                       | 09 Dec 2009 |
| <a href="#">2008248465</a> | Natural bioactive compounds                                                                       | 09 Dec 2009 |
| <a href="#">2008241366</a> | Support frame for conveyor rollers and method for providing access to conveyor rollers            | 09 Dec 2009 |
| <a href="#">2008257296</a> | Cosmetic composition comprising a fine powder                                                     | 09 Dec 2009 |
| <a href="#">2007354185</a> | Outer soles and shoes                                                                             | 09 Dec 2009 |
| <a href="#">2008245605</a> | Material reducing apparatus                                                                       | 09 Dec 2009 |
| <a href="#">2008255815</a> | Tetrahydroisoquinolin-1-one derivative or salt thereof                                            | 09 Dec 2009 |
| <a href="#">2008287576</a> | Pyrrolopyridine derivatives and their use as BACE inhibitors                                      | 09 Dec 2009 |
| <a href="#">2008261334</a> | Deployment apparatus for a small unmanned underwater vehicle                                      | 09 Dec 2009 |
| <a href="#">2008251800</a> | Derivatives of fluorene, anthracene, xanthene, dibenzosuberone and acridine and uses thereof      | 09 Dec 2009 |
| <a href="#">2007353795</a> | Colored esmolol concentrate                                                                       | 09 Dec 2009 |
| <a href="#">2007354870</a> | Concentrate esmolol                                                                               | 09 Dec 2009 |
| <a href="#">2008256949</a> | Multi-dose concentrate esmolol with benzyl alcohol                                                | 09 Dec 2009 |
| <a href="#">2008253212</a> | Methods and means for producing glycoproteins with altered glycosylation pattern in higher plants | 09 Dec 2009 |
| <a href="#">2008261312</a> | Insect resistant cotton plants comprising elite event EE-GH6 and methods for identifying same     | 09 Dec 2009 |

| Number                     | Title                                                                                                                       | Date        |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2008243445</a> | Defoliant                                                                                                                   | 09 Dec 2009 |
| <a href="#">2008258508</a> | Fungicide heterocyclylpyrimidinyl-amino derivatives                                                                         | 09 Dec 2009 |
| <a href="#">2008239737</a> | Novel nutritional food products for improved digestion and intestinal absorption                                            | 09 Dec 2009 |
| <a href="#">2008249578</a> | Lipid conjugated cyclic carbonate derivatives, their synthesis, and uses                                                    | 09 Dec 2009 |
| <a href="#">2008263190</a> | Compositions of prokaryotic phenylalanine ammonia-lyase and methods of using said compositions                              | 09 Dec 2009 |
| <a href="#">2008289549</a> | Compositions of prokaryotic phenylalanine ammonia-lyase and methods of treating cancer using compositions thereof           | 09 Dec 2009 |
| <a href="#">2008258505</a> | Multiple analysis of blood samples                                                                                          | 09 Dec 2009 |
| <a href="#">2008248013</a> | Dynamically programmable RFID transponder                                                                                   | 09 Dec 2009 |
| <a href="#">2008253615</a> | Metal-coated steel strip                                                                                                    | 09 Dec 2009 |
| <a href="#">2008238616</a> | Plastic rock-bolt or dowel and method of manufacture of the same                                                            | 09 Dec 2009 |
| <a href="#">2008254770</a> | Medical implant detachment systems                                                                                          | 09 Dec 2009 |
| <a href="#">2008253808</a> | Holder assembly for a powdered ingredient for preparing an instant drink                                                    | 09 Dec 2009 |
| <a href="#">2008255619</a> | Data communication with cordless base                                                                                       | 09 Dec 2009 |
| <a href="#">2008259965</a> | Protein kinase-binding nucleosides and associated methods                                                                   | 09 Dec 2009 |
| <a href="#">2008258677</a> | Controlled moisture release humidifier for use with tobacco products                                                        | 09 Dec 2009 |
| <a href="#">2008254843</a> | Water resistant elasticized retention bandage and undercast liner                                                           | 09 Dec 2009 |
| <a href="#">2008254214</a> | Methods to control organic contaminants in fibers                                                                           | 09 Dec 2009 |
| <a href="#">2008255038</a> | Methods to detect organic contaminants in pulp and fiber                                                                    | 09 Dec 2009 |
| <a href="#">2008254386</a> | Toric sulcus lens                                                                                                           | 09 Dec 2009 |
| <a href="#">2008251299</a> | Application server and/or method for supporting mobile electronic commerce                                                  | 09 Dec 2009 |
| <a href="#">2008247566</a> | Automated medication handling system                                                                                        | 09 Dec 2009 |
| <a href="#">2008240798</a> | Ceramic material with a composition which is matched to a coefficient of thermal expansion specified by a metallic material | 09 Dec 2009 |
| <a href="#">2008244310</a> | Ceramic material                                                                                                            | 09 Dec 2009 |
| <a href="#">2008255518</a> | Process for preparing the stable, amorphous calcium salt of (6S)-N(5)-methyl-5,6,7,8-tetrahydrofolic acid                   | 09 Dec 2009 |
| <a href="#">2008242145</a> | Method, apparatus and system for predicting electromechanical dissociation                                                  | 09 Dec 2009 |
| <a href="#">2008256862</a> | 3-(imidazolyl)-pyrazolo(3,4-b)pyridines                                                                                     | 09 Dec 2009 |
| <a href="#">2008254388</a> | Pesticidal diazene oxide carboxylates                                                                                       | 09 Dec 2009 |
| <a href="#">2008274979</a> | Methods and systems for providing a level of access to a computing device                                                   | 09 Dec 2009 |
| <a href="#">2008288996</a> | Systems and methods for locating contact information and for establishing a communication session among endpoints           | 09 Dec 2009 |
| <a href="#">2008289047</a> | Path replacement in order to remove server used to initiate call from the resulting communications path                     | 09 Dec 2009 |
| <a href="#">2008261908</a> | Mesh dispenser                                                                                                              | 09 Dec 2009 |
| <a href="#">2008254434</a> | Configurable gaming machine permitting multiple appearances and facilitating component accessibility                        | 09 Dec 2009 |
| <a href="#">2008252577</a> | Class A oligonucleotides with immunostimulatory potency                                                                     | 09 Dec 2009 |
| <a href="#">2008257130</a> | Impermeable capsules                                                                                                        | 09 Dec 2009 |
| <a href="#">2008260207</a> | Fabric softening compositions comprising polymeric materials                                                                | 09 Dec 2009 |
| <a href="#">2008287202</a> | Color stable peroxide containing dentifrice formulations with dye encapsulated silica shell nanoparticles                   | 09 Dec 2009 |
| <a href="#">2008289370</a> | Dentifrice composition containing silicone oil beads                                                                        | 09 Dec 2009 |

# Terms and Conditions

## General

The information provided in this report is not in the nature of legal or other professional advice.

The information provided in this report is derived from third parties and may contain errors. You must make your own enquiries and seek independent advice from the relevant industry professionals regarding any information in this report.

Patents, patent applications, trademarks and trademark applications shown as lapsed or ceased may be restored at a later date.

## Disclaimer of warranty and limitation of liability

Neither IPMonitor, its affiliates nor any of their respective employees, agents, third party content providers or licensors warrant that the information contained in this report is error free; nor do they make any warranty as to the accuracy, reliability or content of any information in this report.

This report is provided on an "as is" basis; to the maximum extent permitted by law, IPMonitor disclaims all representations and warranties, express or implied, with respect to any information contained in this report. In addition, IPMonitor does not represent or warrant that the information contained in this report is accurate, complete or current.

This disclaimer of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behavior, negligence, or under any other cause of action.

## Copyright

The content of this report may be protected by copyright laws and treaties around the world and all rights relating to the same are reserved. Any paper or digital copies of this report are not to be modified or any illustrations or any graphics used separately from any accompanying text.

## Arbitration

Any dispute or difference whatsoever arising out of or in connection with this report shall be submitted to arbitration in accordance with, and subject to, The Institute of Arbitrators & Mediators Australia Rules for the Conduct of Commercial Arbitrations.

IPMonitor reserves the right to update the Terms and Conditions at any time without notice. Please see the full Terms and Conditions at [www.IPMonitor.com.au/trademarks/info/terms](http://www.IPMonitor.com.au/trademarks/info/terms)
