163 results matching for 'Applications Lapsed, Refused Or Withdrawn, Patents Ceased or Expired' during June 2008.

| Number                     | Title                                                                                                                | Date        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2001216040</a> | Use of an aldosterone antagonist for the treatment or prophylaxis of aldosterone-mediated pathogenic effects         | 11 Jun 2008 |
| <a href="#">2001272197</a> | Foldable tent                                                                                                        | 11 Jun 2008 |
| <a href="#">2001294864</a> | Hybrid spread-spectrum technique for expanding channel capacity                                                      | 11 Jun 2008 |
| <a href="#">2001297800</a> | CYSTEINE PROTEASE INHIBITORS                                                                                         | 11 Jun 2008 |
| <a href="#">2002214504</a> | A method and device for recording images of grains from cereals to detect cracking                                   | 11 Jun 2008 |
| <a href="#">2002214834</a> | Shut-off safety system and gas appliance including same                                                              | 11 Jun 2008 |
| <a href="#">2002215289</a> | Intralabial sanitary device with absorbing core of a preformed hydrogel                                              | 11 Jun 2008 |
| <a href="#">2002217029</a> | Method for separating and detecting proteins by means of electrophoresis                                             | 11 Jun 2008 |
| <a href="#">2002218091</a> | Fat regulated genes, uses thereof, and compounds for modulating same                                                 | 11 Jun 2008 |
| <a href="#">2002218324</a> | CATHETER AND USE METHOD THEREOF                                                                                      | 11 Jun 2008 |
| <a href="#">2002219941</a> | Multipurpose reversible electrochemical system                                                                       | 11 Jun 2008 |
| <a href="#">2002221879</a> | System for supporting and/or driving a rotatable drum                                                                | 11 Jun 2008 |
| <a href="#">2002225656</a> | Herbicidal heterocycles                                                                                              | 11 Jun 2008 |
| <a href="#">2002225759</a> | Textile product and method                                                                                           | 11 Jun 2008 |
| <a href="#">2002226959</a> | Water processing device                                                                                              | 11 Jun 2008 |
| <a href="#">2002229551</a> | Method for producing a dispensing device for products that can be spread easily                                      | 11 Jun 2008 |
| <a href="#">2002236454</a> | Hydroconversion process for making lubricating oil basestocks                                                        | 11 Jun 2008 |
| <a href="#">2002236462</a> | Enhanced compression of documents                                                                                    | 11 Jun 2008 |
| <a href="#">2002237664</a> | Pyridone derivatives as AP2 inhibitors                                                                               | 11 Jun 2008 |
| <a href="#">2002243221</a> | Methods and devices for the quantitative detection of prostate specific membrane antigen and other prostatic markers | 11 Jun 2008 |
| <a href="#">2002244220</a> | Computer specified fertilizer application for agricultural fields                                                    | 11 Jun 2008 |
| <a href="#">2002246512</a> | Process for determining target function and identifying drug leads                                                   | 11 Jun 2008 |
| <a href="#">2002252009</a> | Novel heterocyclic amide derivatives and their use as dopamine D3 receptor ligands                                   | 11 Jun 2008 |
| <a href="#">2002256665</a> | 1-Butyric acid derivatives and their use                                                                             | 11 Jun 2008 |
| <a href="#">2002257089</a> | MONOCLONAL ANTIBODY THERAPY FOR PANCREAS CANCER                                                                      | 11 Jun 2008 |
| <a href="#">2002257115</a> | THERAPEUTIC POLYPEPTIDES, NUCLEIC ACIDS ENCODING SAME, AND METHODS OF USE                                            | 11 Jun 2008 |
| <a href="#">2002300124</a> | Highly integrated planar stacked millimeter wave transceiver                                                         | 11 Jun 2008 |
| <a href="#">2002301982</a> | A Fishing Lure                                                                                                       | 11 Jun 2008 |
| <a href="#">2002302062</a> | Motorized wood working tool having a low friction table                                                              | 11 Jun 2008 |
| <a href="#">2002302071</a> | Wall lead-in for feeder lines                                                                                        | 11 Jun 2008 |
| <a href="#">2002302123</a> | Self-tanning composition comprising an amino-substituted 2-hydroxybenzophenone derivative and a self-tanning agent   | 11 Jun 2008 |
| <a href="#">2002302125</a> | Antisun cosmetic compositions based on a synergistic mixture of screening agents, and uses                           | 11 Jun 2008 |
| <a href="#">2002302136</a> | Coating composition containing ion exchange resins                                                                   | 11 Jun 2008 |
| <a href="#">2002302148</a> | Antisun cosmetic compositions based on a synergistic mixture of screening agents, and uses                           | 11 Jun 2008 |

| Number                     | Title                                                                                                                                                | Date        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2002303331</a> | Configurable dynamic three dimensional array                                                                                                         | 11 Jun 2008 |
| <a href="#">2002304492</a> | Identifying parasitic fungi of the organism, and treatment thereof                                                                                   | 11 Jun 2008 |
| <a href="#">2002305118</a> | Biosynthetic genes for butenyl-spinosyn insecticide production                                                                                       | 11 Jun 2008 |
| <a href="#">2002306150</a> | Lactone formulations and method of use                                                                                                               | 11 Jun 2008 |
| <a href="#">2002306202</a> | Screening composition comprising a 1,3,5-triazine derivative, a dibenzoylmethane derivative and an aminosubstituted 2-hydroxybenzophenone derivative | 11 Jun 2008 |
| <a href="#">2002309536</a> | Mineral ore slurry viscosity modification method                                                                                                     | 11 Jun 2008 |
| <a href="#">2002309649</a> | Method and apparatus for purging water from a whirlpool system                                                                                       | 11 Jun 2008 |
| <a href="#">2002310255</a> | High temperature lubricant composition                                                                                                               | 11 Jun 2008 |
| <a href="#">2002316192</a> | MICROFLUIDIC SEPARATION DEVICES WITH ON-COLUMN SAMPLE INJECTION                                                                                      | 11 Jun 2008 |
| <a href="#">2002322740</a> | Use of vitamin succinate and antiandrogen combination                                                                                                | 11 Jun 2008 |
| <a href="#">2002332768</a> | Selection and isolation of living cells using mRNA-binding probes                                                                                    | 11 Jun 2008 |
| <a href="#">2002339198</a> | Noise attenuator arrangement                                                                                                                         | 11 Jun 2008 |
| <a href="#">2002339259</a> | Analysing spots in a 2-D array                                                                                                                       | 11 Jun 2008 |
| <a href="#">2002342561</a> | Container for cigarette and cigarillo packs                                                                                                          | 11 Jun 2008 |
| <a href="#">2002342596</a> | Immunogenic mimetics of multimer proteins with promiscuous T cell epitope inserts                                                                    | 11 Jun 2008 |
| <a href="#">2002342908</a> | Method for determining a travel time                                                                                                                 | 11 Jun 2008 |
| <a href="#">2002343019</a> | Composition comprising inhibitors of the notch signalling pathway for the modulation of the immune system                                            | 11 Jun 2008 |
| <a href="#">2002346426</a> | Therapeutic compounds for treating dyslipidemic conditions                                                                                           | 11 Jun 2008 |
| <a href="#">2002347451</a> | Process for the preparation of crystalline imipenem                                                                                                  | 11 Jun 2008 |
| <a href="#">2002347468</a> | Methods for detecting cells with numerical chromosomal abnormalities                                                                                 | 11 Jun 2008 |
| <a href="#">2002348878</a> | Methods and compositions for use of (S)-bisoprolol                                                                                                   | 11 Jun 2008 |
| <a href="#">2002348889</a> | Medical pump device                                                                                                                                  | 11 Jun 2008 |
| <a href="#">2002349781</a> | Heat exchanger, heat exchanger header tank and manufacturing method thereof                                                                          | 11 Jun 2008 |
| <a href="#">2002351530</a> | Extraction of Phenolic antioxidants                                                                                                                  | 11 Jun 2008 |
| <a href="#">2002352004</a> | Method for the treatment of cardiotoxicity induced by antitumor compounds                                                                            | 11 Jun 2008 |
| <a href="#">2002352731</a> | Nonwoven barrier fabrics with enhanced barrier to weight performance                                                                                 | 11 Jun 2008 |
| <a href="#">2002352741</a> | Bidentate ligand based catalyst for the polymerization of olefins                                                                                    | 11 Jun 2008 |

# Terms and Conditions

## General

The information provided in this report is not in the nature of legal or other professional advice.

The information provided in this report is derived from third parties and may contain errors. You must make your own enquiries and seek independent advice from the relevant industry professionals regarding any information in this report.

Patents, patent applications, trademarks and trademark applications shown as lapsed or ceased may be restored at a later date.

## Disclaimer of warranty and limitation of liability

Neither IPMonitor, its affiliates nor any of their respective employees, agents, third party content providers or licensors warrant that the information contained in this report is error free; nor do they make any warranty as to the accuracy, reliability or content of any information in this report.

This report is provided on an "as is" basis; to the maximum extent permitted by law, IPMonitor disclaims all representations and warranties, express or implied, with respect to any information contained in this report. In addition, IPMonitor does not represent or warrant that the information contained in this report is accurate, complete or current.

This disclaimer of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behavior, negligence, or under any other cause of action.

## Copyright

The content of this report may be protected by copyright laws and treaties around the world and all rights relating to the same are reserved. Any paper or digital copies of this report are not to be modified or any illustrations or any graphics used separately from any accompanying text.

## Arbitration

Any dispute or difference whatsoever arising out of or in connection with this report shall be submitted to arbitration in accordance with, and subject to, The Institute of Arbitrators & Mediators Australia Rules for the Conduct of Commercial Arbitrations.

IPMonitor reserves the right to update the Terms and Conditions at any time without notice. Please see the full Terms and Conditions at [www.IPMonitor.com.au/trademarks/info/terms](http://www.IPMonitor.com.au/trademarks/info/terms)
